

LAE Kids

Spanish Immersion Program Fall 2026

Join our Spanish Immersion Program

Spend two weeks connecting with the language and culture of Spain!

With over a decade of experience and accredited by the *Instituto Cervantes*, our team has designed a truly authentic immersive language experience in the heart of Madrid.

Whether your family is homeschooling, worldschooling, or learning in their own way, this camp gives your family the chance to:

- Learn Spanish naturally and joyfully
- Connect with other like-minded families from around the world
- Explore one of the most vibrant and culturally-rich cities in Europe

Make *memories* and connect

When?

16-27 November 2026

Where?

LAE Kids, Madrid, Spain

For Parents

We'll have activities and co-working spaces available throughout the two weeks so you can make the most of connecting with other international families.

Our Spanish Classes

Madrid is our classroom! Our methodology goes beyond classroom learning and into the city to explore the language and culture of Spain.

What makes this program Special?

Immersive Spanish

We don't translate. Our methodology is full immersion so they learn by doing! Every class is interactive and works on real life skills too!

Flexible, family-centered format

We've years' of experience hosting families from all over the world and have designed this program to fit the worldschooling community.

Accredited Spanish Courses

Quality guaranteed. We're accredited by the Instituto Cervantes and a member of the Federation of Spanish Schools in Spain.

Expert involvement

Our program will include sessions with an international expert on homeschooling with languages

Full Linguistic Evaluation

Your family will receive a certificate and each member that studies Spanish will receive a report on their progress and next steps to keep learning!

The LAE Kids. methodology

Our program has been meticulously designed to cater to every level of Spanish, while helping families to connect to the language, culture and gastronomy of Spain in an authentic and holistic way.

We haven't lost our focus... the aim for our classes is to help kids to reconnect with nature, hands-on, practical activities and to enjoy every second of discovering a whole new world of experiences.
